PayrollPenalty

IRS Failure to Deposit Penalty Abatement Software

SUBSTANTIALLY REDUCE

FAILURE TO DEPOSIT PENALTIES

Instantly Reduce the IRS Failure To Deposit Penalty

- PayrollPenalty uses up to 250 alternative methods of allocating deposits to give you the lowest possible penalty
- You or your client will pay the minimum amount required for their federal tax deposit penalty
- Calculations have a 100% acceptance by the IRS
 not reasonable cause
- For 940, 941, 943, and 945 filings
- Potential savings for you or your clients can be anywhere from 20% to 66%

IRS Relief Provisions Let Taxpayers Pay Less

- One in three businesses each year paid a penalty for not making their deposits on time
- The IRS uses only one method to calculate the penalties for Failure To Deposit and it is not in the tax payer's best interest

- Revenue Procedures 99-10 and 2001-58 allow use of other calculation methods that are far more beneficial to the taxpayer
- Best of all, any client qualifies for this relief; there is no need to show reasonable cause

Calculate the Lowest Penalty Instantly from Anywhere

- PayrollPenalty is a web-based service. You simply log in and enter the liabilities and deposits and PayrollPenalty instantly shows you the recalculated amount and how much you will save
- PayrollPenalty generates all of the documentation the IRS needs to process the recalculation including a special IRS formatted report along with a penalty abatement letter

The Results Speak for Themselves

- The average penalty savings are typically 20% to 66%
- IRS acceptance is 100%. It's the law
- Thousands of customers have saved hundreds of millions of dollars. Yes, hundreds of millions of dollars.

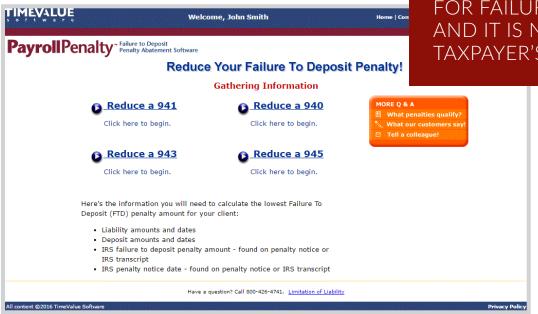

"I have already had a couple cases where we have saved the client over \$1,000. One saved nearly \$2,000. My clients love it!"

- J. Burns, CPA

PayrollPenalty Leads You Through the Steps to Abate Your Penalty!

- Choose the quarter and year from the list of IRS forms to start the process
- Enter your liabilities from your IRS form and your deposits from your Notice. It is that easy
- Complete your sample IRS letter, mail your detailed IRS approved reports, and wait for your abatement

ONE IN THREE BUSINESSES EACH YEAR PAID A
PENALTY FOR NOT
MAKING THEIR DEPOSITS
ON TIME. THE IRS USES
ONLY ONE METHOD TO
CALCULATE THE PENALTIES
FOR FAILURE TO DEPOSIT
AND IT IS NOT IN THE
TAXPAYER'S BEST INTEREST.

For IRS interest and penalty calculations, Tax941 software accurately calculates and verifies failure to file, failure to pay, and failure to deposit penalties, interest calculations, and produces error-free IRS forms.

"I sent in over 25 cases with 100% acceptance.
Within about 6 weeks my penalties were abated."

- K. Henderson, Accountant
